WORLD ENVIRONMENT DAY • JUNE 5

MAKE A DIFFERENCE

"The key... will be a new public awareness of how serious the threat to the global environment. Those who are vested interest in the status quo will probably continue to be able to stave off any meaningful change until enough citizens... are willing to speak out."
— Lawrence Sanders

MAKE A DIFFERENCE

"The Earth Charter is important as an expression of the commitment of people throughout the world to work together to create a more just and ethical world in the face of environmental and social challenges. It is a vision of the future for those who inhabit the Earth and who will follow up on the Earth Charter."
— Bill Clinton
