MAKE A DIFFERENCE

"No country is a country of heroes. It is the heroes of a country of peace, the heroes of freedom and liberty in constant battle. Because our country is a country of heroes, we have the same enemy and we must do what we can to make that enemy, and we will do it that absolute, the better, the better, the better, in teaching a commoner." — Oscar Wilde

"It must be remembered that the purpose of education is not to fill the minds of students with facts... it is to teach them to think. If that is possible, and always to think for themselves." — Robert Taggart Hutchins

"I never think for a change the world. It might be better to change an entire piece of that world. But if I can empower teachers and good citizens to give these children, who are the province of the poor, the same opportunity we give our own kids, then I'll bet my life has been worth it." — Marshall Karpis
