

WHAT'S YOUR BETTERWORLD ISSUE? SPIRITUALITY

"Seek peace.
When you have peace within,
real peace with others will be possible."
-- Thich Nhat Hanh

Some of the wars and conflicts of the past and present were fought over land and resources, but many have been over religious differences.

In this past century, a global interfaith movement has been growing, helping to raise consciousness about the need for tolerance and understanding between different cultures and religions. This movement has helped highlight the common goals that most religions share, such as the Golden Rule, which is at the heart of nearly all religious traditions.

At the same time, many throughout the world are discovering that 'spirituality' -- a deep connection to a greater purpose for humanity -- is an important driving force in their lives, even if they aren't religious.

UNESCO (the United Nations Educational, Scientific and Cultural Organization) is currently developing a strategy for Interfaith Cooperation for Peace, working with governments and religious and spiritual NGOs affiliated with the United Nations.

World Spirituality Day is an opportunity for all who value spirituality in their lives to connect and unite in our wish for a more peaceful, just and sustainable world based on values grounded in our deeper spiritual connection to each other and the world around us.

*"We are not human beings having a spiritual experience; we are spiritual beings having a human experience."
-- Pierre Teilhard de Chardin*
