

# **Be a Hero For a Better World**

**VOICES OF DISSENT  
reminds us of our  
roots and the  
importance of  
protecting authentic  
democracy...**

**It inspires viewers  
to speak out,  
vote and actively  
protect our heritage  
of democracy,  
before we lose it.**

**- Karil Daniels, Director, Voices of Dissent
